From its founding in 1908 in London as the British Drug Houses, VWR Chemicals BDH[®] has steadily evolved and grown to be recognized as a major supplier of laboratory- and analytical-grade chemicals throughout the world. The VWR Chemicals BDH brand is now wholly owned and exclusively sold by VWR[®], part of Avantor[®].

The comprehensive range of products offered in North America represent our ongoing commitment to providing high-quality, affordable chemicals and reagents for research, environmental testing, and quality control.

The guaranteed specifications of VWR Chemicals BDH products reflect this proud legacy. And, after more than 100 years of enabling reliable results, these chemicals continue to epitomize the exacting standards required by researchers and analysts today.
